

LENNOX' ELITE® SERIES

Home Comfort Systems

XC14

Quiet and efficient cooling comfort

Compatible with the exclusive Humiditrol® whole-home dehumidification system—indoor air quality you can feel

HOME COMFORT SYSTEMS
Innovation never felt so good.™

Elite® Series XC14 Air Conditioner

Innovation never felt so good.™

Precision-engineered scroll compressor with special compressor sound-dampening system assures smooth, quiet operation

Efficient design can result in significant energy savings

High-efficiency cooling performance can help you save hundreds of dollars per year in energy costs

Ozone-responsible R410A meets the EPA's most stringent environmental guidelines

Compatible with the exclusive Humiditrol® whole-home dehumidification system*

SmartHinge™ louvered access panels provide improved coil protection and fast, efficient servicing

ENERGY STAR® qualified

Designed for comfort inside and quiet performance outside, the XC14 air conditioner makes it easy to relax and feel good at home. At the heart of the system is a precision-engineered scroll compressor, which provides quiet, efficient and reliable operation—no matter how hot the weather.

THE IDEAL CHOICE FOR YOUR HOME ENVIRONMENT AND THE GLOBAL ENVIRONMENT.

With efficiency ratings of up to 16.20 SEER, the XC14 delivers more comfort for your energy dollar, compared to standard air conditioners.

It also uses the chlorine-free R410A refrigerant, which meets the U.S. Environmental Protection Agency's newest, most stringent environmental guidelines.

EFFICIENCY RATING

Up to 16.20 SEER (Seasonal Energy Efficiency Ratio).

WARRANTY**

10-year limited warranty on the compressor.

5-year limited warranty on all remaining covered components.

**Applies to residential applications only. See actual warranty certificate for details.

Efficient Can save you hundreds of dollars each year on utility bills

The XC14 has a SEER of up to 16.20, so it can significantly lower your utility bills, even during the hottest summer months. It keeps you comfortable, while keeping your energy costs down.

Choosing an ENERGY STAR® product can help you improve comfort and save money. Get details at www.itpayslivesmart.com.

5-YEAR COOLING SAVINGS

16.00 SEER XC14 air conditioner, compared to older, less-efficient units

Actual system efficiency may vary depending on the exact system match. Efficiencies are representative of a single AHRI Most Popular matched combination. Always verify actual system efficiencies through AHRI or by visiting AHRI ratings database at www.ahridirectory.org.

*Must be accompanied by either a variable speed air handler or furnace and the ComfortSense® 7000 Series touchscreen thermostat.

INNOVATIVE FEATURES FOR ENHANCED COMFORT AND EFFICIENCY

Precision-Balanced Direct-Drive Fan –

Provides a quieter environment outside your home.

High-Efficiency Outdoor Coil –

Provides exceptional heat transfer and low air resistance for high-efficiency operation that can lower your cooling bills.

Precision-Engineered Scroll Compressor with Special Compressor Sound-Dampening System –

Provides quiet, efficient and reliable operation even in the most demanding applications.

Durable Steel Cabinet –

Made to last with an attractive, high-quality textured paint finish.

Drainage Holes –

Prevent damaging moisture from collecting inside the basepan, ensuring longer product life.

SmartHinge™ Louvered Coil Protection –

Allows quick, easy access to interior components from all sides, so the unit can be serviced in minimal time, saving you money.

XC14
Up to 16.20 SEER
ENERGY STAR®
qualified

Quality you can trust.
Constructed of heavy-gauge, pre-painted steel and tested in the most extreme environments to ensure maximum durability.

Note: Due to Lennox' ongoing commitment to quality, all specifications, ratings and dimensions are subject to change without notice.

Lennox is proud of the fact that these products have earned the Good Housekeeping Seal.

Proper sizing and installation of equipment is critical to achieve optimal performance. Split system air conditioners and heat pumps must be matched with appropriate coil components to meet ENERGY STAR® criteria. Ask your Lennox dealer for details, or visit www.energystar.gov.

- 1 Air conditioner or heat pump
- 2 Thermostat
- 3 Furnace or air handler
- 4 Filtration device
- 5 Germicidal light
- 6 Indoor coil
- 7 Humidifier
- 8 HEPA bypass filtration system
- 9 Energy recovery ventilator
- 10 Supply duct
- 11 Return duct
- 12 Dehumidifier system
- 13 Residential generator

CUSTOMIZE YOUR COMFORT

Lennox® heating, cooling and indoor air quality products are designed to provide efficient, economical comfort—not only as individual units, but also together as an integrated system. This combined network of products delivers on every comfort count, from consistent temperatures and balanced humidity to improved indoor air quality. Lennox also offers a line of residential generators, which provide safe, reliable standby power in the event of outages.

DEALERS YOU CAN COUNT ON

Choosing the right dealer for your home's heating, cooling and air quality needs is every bit as important as choosing the right brand. We think you'll agree our independent dealers are a big reason you can count on quality customer service whenever you call. Your Lennox dealer's dedication to quality shows in his knowledge, training and expertise in designing the right system for your home, installing it properly and keeping it running perfectly for many years to come.
